# SACRAMENTO ART DECO SOCIETY

The Sacramento Art Deco Society (SADS) is a non-profit organization, founded in 1991, dedicated to preserving all aspects of the Art Deco period.

Our aim is to raise awareness and appreciation of Art Deco. Our activities center around preservation, education, history and entertainment of this exciting era.

Art Deco is an artistic expression that gained world wide attention at the 1925 Paris Exposition with the introduction of geometric motifs, fan-shapes, sun rays, ziggurats, zig zag and cubistic designs. As the years progressed into the 1930s and early 1940s, the expression of speed, streamlined and modern forms became popular.

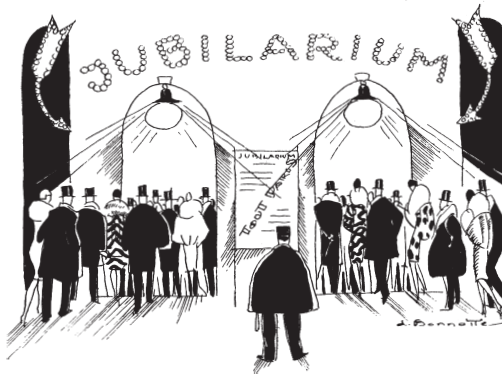

The architecture, music, fashion, interior design, cars and history of the Art Deco Era are so unique, they are well worth preserving!

# ART DECO SOCIETY ACTIVITIES

The Sacramento Art Deco Society works to preserve our Art Deco Heritage with preservation projects. It also creates new and exciting events to keep the awareness of Art Deco alive. Our activities include:

**PRESERVATION:** SADS is a member of the International Coalition of Art Deco Societies (ICADS). We participate in projects supporting the preservation of 1920s - 1940s buildings in the Sacramento and surrounding areas. SADS presents an award each year to a deserving person or agency.

**EDUCATION:** Our presentation meetings are held every other month and include a wide range of topics; architecture, movies, interior design, fashion, jewelry, music, art, vintage autos and more!

**EVENTS:** Enjoying and recreating the ambience of the Art Deco life-style is what makes SADS events! SADS' fun events may include:
